## 汉语项目

### Chinese Language Program

我校整合现有资源，完善课程体系，提高教学质量，不断深化课程教学范式改革，丰富选修课课程，着力构建实践性、文化性教学体系，推动汉语教学从课堂向课外实践、从语言到文化的延伸。今年，汉语项目留学生评教好评率为 97%，政奖预科生的 HSK 4 级考试保持 100% 通过率。

With the integration of teaching resources and constant improvement of teaching quality, SWUFE was able to promote the reform of teaching methods by enriching selective courses

and building a practical and cultural teaching structure, thus expended its Chinese language teaching from class to extracurricular practices and from language to culture. In 2017, we had a proud "excellent" rate of 97% from our Chinese language students. Also we kept the record of 100% pass rate of HSK 4 for our Chinese Government Scholarship students in their foundation year.

“世界是一本书，不旅行的人只能看到其中一页”，抱着这种想法，我在我的国家开始学习汉语，这样我将来就可以去中国留学。经过长期的努力，我终于能够来西南财经大学留学。去国外留学是我梦寐以求的事情。

成为西南财经大学的学生，我深感荣幸。回顾我做过的最正确

的决定，当属我义无反顾地在西南财经大学再一次投入到对汉语的学习中。学习汉语就像一个循环，对中国了解得越多，我就越想去了解它。幸运的是，财大给留学生很多机会来体验中国生活。每个星期都可以听各种各样涉及中国文化的讲座。学生们也可以经常参加汉语秀。而且，如果你课外还想练习说汉语，你可以很容易地找到一个语言伙伴。这些活动都丰富了我的生活！

西南财经大学提供了一个愉悦的国际环境。老师除了教我们书本上的知识以外，也帮我们拓展视野。我和同学们常常讨论我们自己文化的区别和相同点。这样的学习方法才是开启新世界的钥匙。我个人认为这样的知识是无价之宝。同时，我也可以交到很多来自五湖四海的朋友。我很感激我在财大度过了美好的时光，并且遇到了很好的朋友们！

关于成都，有一句名言：成都是一座来了就不想离开的城市！同时，西南财经大学也是一个我舍不得离开的大学！”

——2017年秋季普通汉语项目学员，魏多琳（比利时）

“The world is a book. If you do not travel, you only read one page.” Having this in mind, I started to learn Chinese in my country, hoping I could study in China one day. After several years of hard work, I finally had the chance to study at SWUFE. When I got this opportunity, a dream came true.

I feel very honored to be a student at SWUFE. Improving my level of Chinese at SWUFE is the best decision I have ever made. Studying Chinese is as a cycle. The more I understand about China, the more I want to know. Fortunately, this university offers you lots of activities to know and understand more about Chinese life. Every week there are lectures about Chinese culture and students can also attend Chinese language shows. Furthermore, if you want to practice the Chinese language outside the campus, you can easily find a language partner. These activities definitely enriched my life!

SWUFE provides a pleasant international environment. Not only the knowledge transfer is important to our teachers, they also want to broaden our horizons. My classmates and I often discuss the differences and similarities in our cultures. This method of learning helps us to discover new worlds and other ways of thinking. This kind of knowledge is priceless to me. Besides that, I also have made a lot of friends from different parts of the world. I already had a wonderful time here and I met nice people, for which I am very grateful.

A famous saying about Chengdu: Once you came to Chengdu, you never want to leave! I have the same feeling about SWUFE, a university where you want to stay!”

作为国家首批“双一流”建设高校，我校着力构建特色鲜明、优势突出、结构合理、充满活力的学科生态体系，形成了以经济学管理学为主体、金融学为重点、多学科协调发展的办学特色，吸引了众多留学生前来就读。

“我和西财的故事是从四年前开始的。当时的我刚来到中国，人生地不熟，一点中文都不会。那段时间充满了对探索的激情，每一天都有新发现，而西南财经大学的老师们就是这些发现的来源，因为我们留学生除了中文，更多学的是中国文化、生活习惯、传统风俗。

在学习了两年中文之后，我彻底爱上了成都这个地方，也彻底爱上了西财，因此我毫不犹豫地决定报考本校的本科，幸运地成为法学院的留学生。通过不懈努力，现在我在法学专业年级排名第 6，获得了校长奖学金，并成为我校唐立新光华菁英奖学金的第一个留学生获得者。感谢西南财经大学对我一直以来的支持和帮助！”

——2016 级法学本科生，李遐（乌克兰）

“My story with SWUFE started four years ago - that was when I first came to China without basic Chinese knowledge at all. However, I was also full of passion at those times, happy with new findings every day. I soon fell in love with my teachers in SWUFE because they were the sources of my discoveries by teaching us Chinese language and culture.

My love for Chengdu and SWUFE was even deeper after two years of Chinese study, so I applied for SWUFE's bachelor's program without a second thought. Luckily enough I was enrolled in the School of Law. Now I can see myself working pretty hard and achieved greater success. Ranked 6<sup>th</sup> in the program of my grade, I was granted SWUFE President Scholarship and Tang Lixin Sponsored Guanghua Elite Scholarship. I must thank SWUFE throughout these years for making my dreams come true.”

从预科学习开始，我来学校已经一年多了，早已习惯大学生活紧张又轻松的气氛。西南财经大学的课程和活动安排得比较合适，令我真正感受到大学生活是如此的丰富多彩，让我结交了不同国家与不同文化的朋友。现在我所接受的教育是各个层面的，我也一定会好好利用这份难得的机会，珍惜这段宝贵的时间，严格要求自己，做一个优秀的学生。”

——2017级国际贸易学硕士生，艾萨克（阿富汗）

“This is the first semester I spent in the program of International Trade. Fortunately I made progress with the combination of hard working and help from my teachers and classmates.

I've been in SWUFE for more than one year since my foundation study, and have adjusted to the atmosphere here. SWUFE has a balanced setting of courses and activities. This has made my college life colorful and has given me opportunity to know a lot of friends from different countries. I'm very sure I would take this precious period of time making myself a better me.”

### English Programs

我校围绕经济管理与研究院等重点建设项目打造的全英文项目群日趋成熟，形成贯通本硕博层次的全英文项目体系，受到越来越多留学生的青睐，产生了良好的品牌效应。

“去年九月我从马其顿来到中国求学，被顺利录取为西南财经大学经济与管理研究院的一名硕士研究生，翻开了人生的新一页。第一年总是充满各种挑战，新的环境、文化、语言……当然，还有新的同学，每个人都有着不同的背景和故事。我和同学们携手并进，度过了难关。这也多亏了我的老师们，他们总是以专业的学识和热情帮扶的精神对我伸出援手，不厌其烦地为我解决各种问题。他们不仅是学业导师，更是我的人生导师。

我常常惊叹于成都之美、中国之美，总是遗憾没有太多时间去一一感受。我今后的路还很长，未来的发展也难以预料，但我永远会记得西南财经大学，记得经济与管理研究院，毕竟这是我旅程开始的地方。”

——2016级金融学硕士生，蔚蓝（马其顿）

“On September last year I came from small European country Republic of Macedonia to pursue my further studies. With the start of my postgraduate studies for finance at Research Institute of Economics and Management here at SWUFE in Chengdu the new chapter of my life path has started alongside with my professional development. The first year started with lots of challenges. New environment, culture, language and tradition. New people as well. Everyone with their own story, and phases of life at which they are. With many of them I have crossed my pathways. Helping each other, we made extraordinary and special moments during our studies here. Professors on the other hand, they do as much as they can to ease our path and helped, whenever we had struggles not just for the studies but also for our everyday life. They help not just with their knowledge, but also with their experience and willingness to be more than professors to us, to be our friends. The office staff also helped. Whenever I had some problems I solved them in record time, moreover they helped me develop not just academically but as a person too.

Besides, among the studies here I also saw the beauty of China outside of Chengdu. Of course, not as much as I wish I could visit and see. But the path and the road a man must walk is long and unpredictable. I will have time for new cross-roads, new paths, new places and people. But SWUFE and RIEM forever will mark my beginnings of my journey.”
